LAND USE CHANGE - IRONWOOD ANNEXATION (B)

ORDINANCE NO. 0-03-39, PETITION 130LUC-02PB

An Ordinance amending the City of Gainesville 2000-2010 Comprehensive Plan, Future Land Use Map; by changing the land use categories of certain properties annexed into the City from various Alachua County land use categories to various City of Gainesville land use categories, as more specifically shown on the maps attached to this ordinance; generally located North of N.E. 39th Avenue, South of N.E. 53rd Avenue, East of N.E. 15th Street, and West of Waldo Road; providing a severability clause; providing a repealing clause; and providing an effective date.

The City Commission (1) receive the preliminary review of the Department of Community Affairs; and (2) adopt the proposed ordinance.

The above-referenced ordinance has been prepared pursuant to City Commission action requesting the City Attorney's Office to prepare the appropriate ordinance amending the City of Gainesville 2000-2010 Comprehensive Plan.

Florida Statutes set forth the procedure for adoption of an amendment to the Comprehensive Plan. The second hearing will be held at the adoption stage of the ordinance and must be advertised approximately five (5) days after the day that the second advertisement is published.

The State of Florida Department of Community Affairs issued a letter dated July 18, 2003, stating that this

amendment need not be formally reviewed for consistency with Chapter 163, F.S. The Department also waived preparing an Objections, Recommendations and Comments Report. A copy of their letter is attached to this memorandum. Therefore, the City may now proceed with the final adoption of this ordinance.

The Plan amendment will not become effective until the State Department of Community Affairs issues a final order determining the adopted amendment to be in compliance in accordance with the Local Government Comprehensive Planning and Land Development Regulation Act, or until the Administration Commission (Governor and Cabinet) issues a final order determining the adopted amendment to be in compliance. (Note: Although the last paragraph of their letter

recommends the inclusion of certain language in the City's Ordinance, the Department of Community Affairs has informed the City that their recommendation is moot.)
