### Promise Neighborhood Initiative (B)

The Gainesville children support services agencies have partnered to set priorities, plan strategically, and track/trend key indicators. With their backing, the UF Family Data Center is seeking support to develop a Children/Families Report Card, and has requested the City, County and School Board each fund 1/3 of the \$40,000.00 cost for an amount of \$13,000.00.

The City Commission: 1) hear a presentation from the UF Family Data Center and 2) take action deemed appropriate.
