### **RESOLUTION TO AUTHORIZE ISSUANCE OF COMMERCIAL PAPER NOTES FOR CAPITAL PROJECTS (B)**

On September 15, 2016 upon second reading, the City Commission approved GRU's 2017 budget. Included in that approved budget is a Commercial Paper issuance to provide approximately \$20,250,000 in capital funding for the Water and Wastewater systems during FY17.

The Clerk of the Commission, the General Manager or other Authorized Officers of the City (as defined in the Utilities Bond Resolution) may be required to take certain other actions and hire certain other professionals to proceed with the issuance of the Commercial Paper Notes. Therefore, we recommend that these officials be authorized to take such other actions that may be necessary or desirable to proceed with the issuance of the tax-exempt Commercial Paper Notes in accordance with this City Commission authorization.

This item is included in the approved FY17 budget.

- 2) Authorize the Clerk of the Commission, the General Manager and any other Authorized Officers to execute such documents as may be necessary to proceed with the transaction authorized above, subject to approval of the City Attorney as to form and legality;
- 3) Authorize the issuance a reoffering memorandum and such other actions as may be necessary or advisable to proceed with the issuance of Commercial Paper Notes in accordance with this City Commission authorization.
