PLANNING AND DEVELOPMENT SERVICES DEPARTMENT STAFF REPORT

This ordinance will rezone the subject 13.33-acre property from Alachua County Residential and Professional District (RP) to City of Gainesville Multiple-Family Medium-Density Residential District (RMF-7). The property, which is generally located at 2801 SW Williston Road near the southeastern corner of Williston Road and SW 29th Drive, was annexed into the City effective May 5, 2016. The easternmost portion of the property is developed with a 3,100 square foot office building.

The property consists of two parcels located directly west and north of the Oak Hammock development, a university-related continuing care retirement community. The Campus Lodge multi-family development is located to the north of the property on the opposite side of SW Williston Road. The property is bordered to the west by SW 29th Drive and the Alachua Fire Extinguisher Company.

This rezoning will implement the Residential Medium-Density (RM) land use change per Ordinance No. 150943 and will facilitate future residential development of the property. The RMF-7 zoning district will provide an increase in the maximum potential density for the property, from the 8 units/acre allowed under the current Alachua County zoning district to 14 units/acre by right with the option for 7 additional units/acre by using density bonus points and meeting certain development criteria outlined in the Density Bonus Points Manual.

Both City staff and the City Plan Board recommend approval of this rezoning.

None.
