### Request for an Extension to the License Agreement for Construction Staging (B)

On November 28, 2000 the City entered into a license agreement with the Gainesville Commerce Center Limited Partnership to allow construction staging over a portion of Parcel 14714-1. The license agreement will expire on June 30, 2002 and the developer has asked for a one-year extension.

Eventually this property will be conveyed to Gainesville Commerce Center Limited Partnership for Phase III construction. The license agreement has a provision that all trees will be protected.

The CRA heard this request at their April 15, 2002 meeting and voted unanimously to move it forward to the City Commission.
