Consulting Services for Old Landfill Slope Stabilization Project (B)

The City of Gainesville received three Statements of Qualifications on April 24, 2002, from firms interested in providing consulting services for the Old Landfill, 200 SE 13th Road, Slope Stabilization Project. On May 10, 2002, the Selection Committee ranked the written submittals and chose to have the three submitting firms make presentations. On May 21, 2002, the Selection Committee heard the presentations and ranked those firms. The results are: First - Golder Associates; Second - SCS Engineers; and Third - Jones Edmunds and Associates

Funding for these services and this Project is available in the Solid Waste Fund.

The City Commission: 1) accept the ranking as recommended by the Selection Committee; 2) authorize the City Manager or designee to negotiate a contract in accordance with the State of Florida's Consultants Competitive Negotiation Act for consulting services for the Old Landfill Slope Stabilization Project; 3) authorize issuance of a purchase order not to exceed \$293,000; and 4) authorize the City Manager to execute all agreements, orders, and other documents related to the Project as deemed necessary by the Florida Department of Environmental Protection.
