Resolution for the Regional Transit System (RTS) FY2013 Program of Projects (POP) and FY2010-2011 Performance Measures (B)

This item is a request to adopt a Resolution authorizing the filing of an application with the Federal Transit Administration (FTA) and Florida Department of Transportation (FDOT).

In order to remain eligible for federal and state funding, the RTS is required annually to submit a POP to the FTA and a budget application for Capital and Operating projects to the FDOT after seeking public comment. On Wednesday February 20, 2013, the proposed program of projects budget application was published in the Gainesville Sun as required by the FTA. A public meeting was held on Wednesday, February 27, 2013.

The costs for the POP in the amount of \$27,030,820 are included in the Transportation Improvement Program (TIP) approved by the Metropolitan Transportation Planning Organization (MTPO).

The City Commission adopt the Resolution.
