Title: Update on the Purchase of Surplus DOC Property by the City of Gainesville (B)

The purpose of this item is to provide an update to the City Commission on the status of the negotiations between the City and the State for purchase of surplus Department of Corrections (DOC) property. The City would like to purchase the DOC facility known as the former Gainesville Correctional Institute (GCI) in order to provide a variety of services at the complex for homeless/needly individuals and families in our community. This item is being submitted to the City Commission for their consideration and approval to authorize the City Manager to negotiate the purchase of Phase II of the GCI property, seek Legislative support and assistance in obtaining the GCI property, and identify funds for the purchase of the Phase II portion of the GCI property.
