Title: Update on Staff Policy Recommendations for 2010 Solar Feed In Tariff (FIT) Program (B)

The Commission received a presentation on changes to the Solar Feed In program on July 1, 2010. Following the presentation, there was a request from the Commission to consider FIT program policy changes to better accommodate smaller-sized and residential solar systems. There was an additional request from local solar industry representatives to consider policies that would help them maintain an even workflow throughout the year.
