### **Charter Officers' Annual Performance Evaluations for the Past Fiscal Year Ending September 30, 2011 (NB)**

The City Commission evaluates the performance of the Charter Officers on an annual basis. This review covers the last fiscal year, ending September 30, 2011. Each Charter Officer provided a report to the City Commission on the accomplishments of his areas of responsibility and other supporting documentation.

No updated compensation information is provided at this time because Charter Officer compensation will be reviewed as part of the City-wide pay study to be performed by Human Resources this year.

There is no fiscal impact.

The City Commission review the performance of each Charter Officer and establish appropriate performance scores and pay adjustments for FY12.
