Title: Update of the University of Florida Comprehensive Master Plan (NB)

Three committees appointed by the President of the University have completed the first draft of the University of Florida Comprehensive Master Plan, 2005-2015. The Plan will soon be transmitted to the University of Florida Board of Trustees (BOT). The BOT will be asked to review and approve transmittal of the Plan to State agencies and local governments, and to the general public for a 90-day review period that will end in March of 2006. The University of Florida's Facilities Planning and Construction Division will make a presentation to the City Commission on the draft Plan.
