Florida Hydrogen Fuel and Zero-Pollution Bus Initiative (B)

At the May 29, 2001 City Commission Meeting, David Bruderly, P.E., of Bruderly Engineering Associates, Inc. gave a presentation regarding development of busses using hydrogen fuel for a zero-pollution. Mr. Bruderly asked that the City Commission support this project by asking that staff from RTS and GRU sit on the board of advisors and to attend quarterly meetings.

Authorize staff from RTS and GRU to write letters of support indicating their interest in participating in the project.
