RTS FY 2002 Program of Projects (POP) and FY 1999-2000 Performance Measures (B)

Each year, the Regional Transit System (RTS) is required to submit a Program of Projects to the Federal Transit Administration and a budget application to the Florida Department of Transportation for Capital and Operating projects for public comment. Staff will also present the FY 1999 and FY 2000 Performance Measures as published in the Gainesville Sun.

The costs for the Program of Projects are included in the Transportation Improvement Program (TIP) approved by the MTPO.

The City Commission: 1) hear a presentation by staff; 2) approve the Program of Projects for FY 2002; and 3) approve the Resolution authorizing the filing of the budget application with the Department of Transportation.
