File #: 200488., **Version:** 1

The Masonic Lodge was built in 1908 in the Italian Renaissance style with a pediment hip roof and wide overhanging eaves and had been well preserved and remained mostly unaltered. The site is currently listed on the National Register of Historic Places and has been since 1998 and was continuously owned and operated as a Masonic Lodge since its construction until recently. There is an existing petition (HP-19-112) in process for placement on the local register of historic places.

The applicant is proposing to replace the existing wood windows.

Staff recommends that the board review the request for the proposed window replacement for Petition HP-20-101.
