Special Recognition of GRU Camp EmPower Students (NB)

As part of its succession planning to address an aging workforce, GRU staff developed Camp EmPower, a spring break camp designed to expose middle school-aged students to careers in the utility industry. From March 21, 2016 through March 25, 2016, GRU held its 4th annual camp. Students from local schools spent their spring break with GRU staff, learning about a different area of the utility each day. The students were given hands-on experience with different jobs and participated in mock job interviews at the end of the week followed by graduation.
