APPENDIX A - UTILITIES - WASTEWATER RATES (B)

Ordinance No. 0-05-85

An Ordinance amending Appendix A, Section UTILITIES (4) Sewerage, Gainesville Code of Ordinances; By Increasing Wastewater Base Rates, Customer Charges and Wastewater Connection Charges; Providing for a Repealing Clause; Providing for a Severability Clause; and, Providing an Effective Date in Accordance with the Schedule Provided Herein.

The City Commission adopt the proposed ordinance.

In the Proposed Budget for the Combined Utilities System, the General Manager made a recommendation to increase wastewater base rates wastewater connection charges. The change in connection charges varies by meter size with an overall increase in wastewater connection charge revenue at the same rate presented to the City Commission in the 2003 budget. Both changes will be effective October 1, 2005. Even with these changes, GRU's monthly rates and connection charges remain among the lowest in the state.
