The City Commission approve the written Order and authorize the Mayor to execute and the Clerk of the City Commission to attest the Order.

STAFF REPORT

On December 5, 2019, the City Commission held a quasi-judicial hearing on Petition PB-17-65, an application filed by EDA Engineers-Surveyors-Planners, Inc., as agent for Weyerhaeuser NR Company, that requested to rezone certain property from Alachua County Agriculture (A) to City of Gainesville Planned Development District (PD). Based upon the competent, substantial evidence received at the quasi-judicial hearing and included within the record, and in applying the essential requirements of the correct law and decision criteria, the City Commission voted 7-0 to deny Petition PB-17-65.
