### **WCA of Florida, LLC Amendment #2 to Acknowledge the Acquisition by GFL Environmental (B)**

WCA of Florida, LLC's (WCA) is the provider of collection services for curbside garbage, recycling, yard waste and bulk waste. WCA's parent corporation Macquarie Infrastructure Partners II sold its full interest in WCA Waste Corporation to GFL Environmental Inc. While the corporate entity WCA of Florida, LLC still exists and continues to be the corporate entity responsible for the City's solid waste contract, WCA wishes to operate under the name GFL Environmental (GFL) and has registered such name with Florida's Department of Business Regulation.

This Amendment recognizes that WCA of Florida, LLC will operate as GFL Environmental and invoices, insurance, and other documents may have GFL's name instead of WCA of Florida, LLC.

This item is connected to Goal 2: Sustainable Community and is a normal priority item.

There is no fiscal impact associated with this item.

The City Commission: 1) approve the Second Amendment to the Amended and Restated Agreement between the City and WCA of Florida, LLC for Collection of Solid Waste, Recyclable Material, and Yard Trash; and 2) authorize the City Manager or designee to execute the appropriate contract documents, subject to approval by the City Attorney as to form and legality.
