Temporary Moratorium - I-2 (Industrial) Zoning

At the February 12, 2001 City Commission meeting Commissioner Warren Nielsen made recommendations regarding I-2 Zoning.

The City Commission: 1) Call a special meeting of the Community Development Committee to investigate the feasibility and language of a temporary moratorium with respect to I-2 Zoning; 2) include City Planning staff, City Attorney representatives and the Alachua County Planning Department for the purpose of crafting language for an ordinance for a temporary moratorium; 3) request that this language be sent directly to the City Commission immediately following the Community Development Committee special meeting; and 4) request that this ordinance be brought before the City Commission at the next regular City Commission meeting for first reading of the ordinance followed by second reading two weeks later.
