Rules of the City Commission

There are several minor technicalities that need revision in the City Commission rules.

1. The City Attorney has recommended a minor correction to the order of presentation for Formal Quasi-Judicial Hearings.
2. Rules V and VI are being modified to reflect the change to an elected Mayor beginning May 1998.
3. Rule VI is being modified to reflect the Economic Development Committee being re-appointed this legislative year.

The City Commission adopt the rules of the City Commission.
