STORMWATER MANAGEMENT UTILITY FEE (B)

Ordinance No. 0-00-97

An ordinance of the City of Gainesville, Florida, amending subsection 27-241(a) of the Code of Ordinances relating to the stormwater management utility changing the utility fee to \$5.75/ERU; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date in accordance with the schedule herein.

The City Commission adopt the proposed ordinance.

The City Commission, as part of its budget process, approved the rate increase relating to the stormwater management utility fee.
