Contract Renewal Correction - Group 5 & Associates, Inc. (B)

The contract renewal with Group 5 & Associates, Inc., for Public Education for Curbside Recycling and Reduction of Solid Waste and Yard Trash, was originally approved by the City Commission on September 10, 2001. This is to correct the discrepancy between the amount stated in the September 10th agenda item and the contract amount. The agenda item stated an incorrect amount of \$40,000 in the "Recommendation" for issuing the purchase order, while the contract stated the correct amount of \$57,273.

Depending upon the availability of funds, a total budget of \$102,273 has been proposed in FY 01-02 for the contract renewal with Group 5 & Associates, Inc. The City of Gainesville Solid Waste Enterprise Fund will provide up to \$57,273, and the Alachua County Municipal Services Benefit Unit (MSBU) will provide up to \$45,000.

The City Commission authorize the City Manager or designee to approve the issuance of a purchase order to Group 5 & Associates, Inc., for Public Education for Curbside Recycling and Reduction of Solid Waste and Yard Trash, not to exceed \$57,273 for FY 01-02, subject to the availability of funds.
