Presentation by Southern Pine Beetle Technical Advisory Committee (B)

The Southern Pine Beetle Technical Advisory Committee at its meeting of June 14, 2001, requested that the City Commission have a workshop to see slides of the devastation Southern Pine Beetles can create in a very short period of time. The proposed presentation will cover several topics related to the current Southern Pine Beetle infestation.

None

The City Commission 1.) hear a presentation from the Southern Pine Beetle Technical Advisory Committee and 2.) give authority to the SPBTAC to seek Declarations of Emergencies for properties where no action has been taken to bring infestations under control.
