### **Residential Conservation Zoning Issues (NB)**

**On August 5, 2004, the Community Development Committee discussed this item and recommended that it be removed from the referral list. This item has had a petition to the City Plan Board that the City Commission denied. There has since been a referral for staff to initiate a petition to the City Plan Board to rezone certain parcels, but there is no further discussion needed by the Community Development Committee.**

**None**

**Community Development Committee to the City Commission: Remove this item from the Committee's referral list.**
