Reconsideration of GRU's FY19 Rates (B)

At their August 2, 2018 regular meeting, the City Commission voted to schedule a special meeting to reconsider the vote taken on July 19, 2018, regarding GRU's FY19 rates.

FY19 rates determine the amount of revenue generated in each utility system to cover projected FY19 expenses.

The City Commission discuss FY19 GRU rates, and direct the City Attorney to draft and the Clerk of the Commission to advertise an ordinance to adopt the recommended rates, fees and charges for the Electric, Water, Wastewater and Gas systems.
