General Employee Retirement Plan Investment Performance Consultant (B)

At the June 21, 2000 Pension Review Committee meeting, the Committee voted unanimously to recommend to the General Board of Trustees the hiring of Summit Strategies Group as the Investment Performance Consultant for the General Employees' Retirement Plan.

Fees for Investment Performance Consulting Services are included in the fiscal year 2000-2001 General Pension Fund budget.

The Board of Trustees of the General Employees' Pension Plan approve the recommendation to hire Summit Strategies Group as Investment Performance Consultant for the General Employees' Retirement Plan, and authorize the City Manager as Trust Administrator to execute all related documents subject to the approval of the City Attorney as to form and legality.
