Approve the Amended Rules of the City Beautification Board (B)

The Department of Doing has been working with the City Attorney's Office to update and standardize the rules and by-laws for advisory boards that are supported by the Department of Doing. The need to update the rules and a draft of the rules were discussed at the City Beautification Board (CBB) meetings of October, January and February. The proposed rules were accepted by the CBB.

None

The City Commission to approve the amended rules of the City Beautification Board.
