PLANNING AND DEVELOPMENT SERVICES DEPARTMENT STAFF REPORT

The purpose of this petition/ordinance is to amend sections of the Land Development Code for consistency with the updated definition of uplands, removal of the Significant Ecological Communities District, and other changes relating to the regulation of natural resources, archaeological resources, and surface waters and wetlands that were adopted by Ordinance No. 110076 on August 2, 2012. The proposed text amendments are relatively minor and pertain to subdivision requirements, Planned development (PD) district evaluation requirements, and tree removal permits.

Public notice was published in the Gainesville Sun on August 7, 2012. On August 23, 2012, the City Plan Board held a public hearing and, by a vote of 6-0, recommended approval of the petition.
