Resolution and Perpetual Easement Request from Florida Department of Transportation (B)

This item involves a request from Florida Department of Transportation (FDOT) for a Resolution and Perpetual Easement, located at the southeast corner of Tax Parcel 15505-002-001.

FDOT plans renovations to Archer Road and Southwest 16th Avenue. The City owns Tax Parcel 15505-002-001, located at 2210 Southwest Archer Road, which is utilized by Fire Station #2. A portion of the parcel, in the southeast corner, has been the location of a traffic signal box. As part of the Archer Road and Southwest 16th Avenue renovations, FDOT is requiring the grant of a perpetual easement for the area of the traffic signal box. FDOT also requires the adoption of a Resolution, associated with the easement.

There is no fiscal impact.

The City Commission: 1) adopt the Resolution approving a Perpetual Easement, subject to approval by the City Attorney as to form and legality; and 2) authorize the Mayor to execute and the Clerk to attest the Perpetual Easement, subject to approval by the City Attorney as form and legality.
