PLANNING AND DEVELOPMENT SERVICES DEPARTMENT STAFF REPORT

This petition/ordinance is a small-scale future land use map amendment that changes the land use designation for approximately .04 acres of property from Public Facilities (PF) to Residential Low-Density (RL). The property is generally located at 1126 NW 7th Avenue and is a portion of Tax Parcel

No. 13861-000-000, which is currently developed with an existing single-family residence.

In 1979, the City of Gainesville acquired the adjacent parcel (Tax Parcel No. 13862-000-000), which originally included the sliver of property under consideration by this petition/ordinance. That parcel was designated with the PF future land use category in 1991 and was zoned PS in 1992. The .04-acre portion was then split and sold in 2009 to the adjacent property owner (Legistar No. 090488) and is now a portion of the tax parcel that is developed with a single-family residence. Although this tax parcel otherwise has a RL future land use designation, the .04-acre portion has retained the PF future land use designation. Amending the land use designation for the .04-acre portion of the property to RL will create a single unified land use designation that is consistent with the current use of the site for residential purposes.

This petition/ordinance is related to Petition PB-12-111 ZON (Legistar No. 120525), which proposes to rezone the .04-acre portion of Tax Parcel No. 13861-000-000 from Public services and operations district (PS) to Single-family residential district (RSF-4).

After public notice was published in the Gainesville Sun on October 9, 2012, the City Plan Board held a public hearing on October 25, 2012, and by a vote of 6-0, recommended approval of this petition.
