

## Legislation Details

**File #:** 130173. **Version:** 2 **Name:**  
**Type:** Discussion Item **Status:** Passed  
**File created:** 7/30/2013 **In control:** City Commission  
**On agenda:** 12/5/2013 **Final action:** 12/5/2013  
**Title:** Proposed Consent Order Regarding Wastewater Overflows (NB)

Staff will present the proposed Consent Order to the City Commission developed by the Florida Department of Environmental Protection (FDEP). The Consent Order is for violations regarding broken force mains and subsequent discharge of wastewater to the environment that occurred in July and August of 2013. The Consent Order requires GRU to pay administrative costs (\$250), civil penalties (\$7,500), conduct an engineering analysis of the existing force main, and develop and implement a valve exercising program for the force main system. The valve exercising program could result in significant long-term fiscal impacts including additional staff, vehicles, and equipment.
