File #: 130540. **Version:** 1 **Name:**
Type: Discussion Item **Status:** Passed
File created: 11/25/2013 **In control:** City Commission
On agenda: 12/5/2013 **Final action:**
Title: Innovation District Water, WasteWater and Reclaimed Water Infrastructure Funding (B)

In December 2011, the City Commission authorized staff to prepare an ordinance to establish a funding mechanism for water, wastewater, and reclaimed water improvements needed to support redevelopment in the Innovation District (iDistrict). Several alternatives were evaluated by staff and the Economic Development/University Community Committee (EDUCC). The proposed approach includes the designation of water, wastewater, and reclaimed water "iDistrict Infrastructure Improvement Areas." Within these areas GRU will construct necessary capacity improvements. The cost for these improvements will be recovered via infrastructure improvement area charges applied to the building square footage of new development within the designated areas. Staff will present the proposed approach. An ordinance implementing the charges is being prepared and will be presented to the City Commission for first reading on December 19, 2013.
