ELECTRIC SYSTEM FUEL ADJUSTMENT (B)

Ordinance No. 130582

An ordinance of the City of Gainesville, Florida, amending the Code of Ordinances relating to fuel and purchased power expenses for the city's electric utility by creating new definitions and amending existing definitions in section 27-21; amending the formula used to calculate the monthly electric system fuel and purchased power adjustment and establishing a range for the fuel levelization fund balance, all in section 27-28; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date.

The City Commission adopt the proposed ordinance.

On June 24, 2013, the Regional Utilities Committee heard a presentation from GRU staff and held a public discussion regarding the fuel adjustment and associated levelization balance policies. At its meetings on July 18, 2013, and September 19, 2013, the City Commission discussed fuel adjustment levelization policies and the fund balance. At its meeting on January 16, 2014, staff made a presentation to the City Commission on proposed changes to sections 27-21 and 27-28 of the Code of Ordinances and, by a vote of 7-0, the City Commission authorized the City Attorney to draft and the Clerk of the Commission to advertise revisions to the

code of ordinances as recommended by staff.
