Resolution and Perpetual Easement Request from Florida Department of Transportation (B)

This item involves the request from Florida Department of Transportation (FDOT) for a Resolution and Perpetual Easement, located at the intersections of Northeast 14th and 15th Streets and Southeast 14th and 15th Streets, adjacent to State Road 26, East University Avenue.

FDOT plans renovations to the traffic signals on East University Avenue in the vicinity of Northeast 14th and 15th Streets and Southeast 14th and 15th Streets. The City maintains Northeast and Southeast 14th and 15th Streets as public right of way. As part of the project, FDOT is requiring the grant of a perpetual easement(s) for the area of the traffic signals and appurtenances. FDOT also requires the adoption of a resolution, associated with the easement.

There is no fiscal impact associated with this item.

The City Commission: 1) adopt the Resolution approving a Perpetual Easement, subject to approval by the City Attorney as to form and legality; and 2) authorize the Mayor to execute and the Clerk to attest the Perpetual Easement subject to approval by the City Attorney as to form and legality.
