### Drop Savers Water Conservation Poster Contest Winners (NB)

The annual Florida Section of the American Water Works Association (FSAWWA) Drop Savers Poster Contest is sponsored by GRU to help teach local youth about the importance of conserving our most valuable resource - water. This year 350 elementary and middle school students participated. Amazed by the creativity displayed by the participating students, the audience at the Drinking Water Taste Test had a difficult time choosing this year's winners.

First, second and third place winners were selected from each class division:

#### 1<sup>st</sup> Place:

Division 1: Ryder Mandarin (K/1 Grade) - Brentwood School  
Division 2: Saylor Twist (3<sup>rd</sup> Grade) - Talbot Elementary  
Division 3: Carson Diley (4<sup>th</sup> Grade)- High Springs Community School  
Division 4: Maggie Towers (7<sup>th</sup> Grade) - Kanapaha Middle School

#### 2<sup>nd</sup> Place:

From those winners, the four first place posters were entered into the state-wide FSAWWA competition.

In support and recognition of the winning poster contributors, GRU and FSAWWA is providing pizza parties to the winning classes and recognizing the teachers involved in helping educate the students in the value of water conservation.

Funds for this event were budgeted for Water Conservation Programs within Water & Wastewater Systems FY 2015 Operations & Maintenance Budget.

The City Commission recognize local student winners from the Drop Savers Water Conservation Poster Contest.
