Resolution for 5339 Grant (B)

This item is a request for the City Commission to adopt a Resolution to allow the Regional Transit System (RTS) to accept a 5339 Grant to purchase four (4) paratransit vans and mobile data equipment to provide ADA service to the disabled citizens of Gainesville.

Federal funds are available through the Federal Transit Administration (FTA) and the Florida Department of Transportation (FDOT) to purchase four (4) replacement vans. In the past, a generic resolution adopted by the City Commission authorizing the City Manager or his designee to execute and file applications for such grants was sufficient. FDOT has stated the Resolution must have specific verbiage, in the format approved by their attorney. RTS is requesting that the City Commission adopt the Resolution allowing the award to go forward and accept \$290,933 for much needed paratransit vehicles in order to maintain the paratransit fleet.

RTS will use capital replacement funds (received from the RTS Paratransit Contract for use of city owned vehicles) as match money to obtain the federal funds to purchase the needed vehicles and equipment. Funds are available in the RTS FY16 budget.

The City Commission: 1) adopt the Resolution; and 2) authorize the City Manager to execute related Joint Participation Agreement(s) with the Department of Transportation, subject to approval by the City Attorney as to form and legality.
