Application to FEMA for Reimbursement of Eligible Expenses Incurred during Hurricane Hermine (B)

On September 28, 2016, the President of the United States issued a major disaster declaration for the State of Florida which included Alachua County as a result of Hurricane Hermine. The City incurred approximately \$62,000 of expenses which are eligible for reimbursement from FEMA and the State of Florida.

The City spent approximately \$62,000 during Hurricane Hermine which is partially eligible for reimbursement from FEMA and the State of Florida. FEMA will reimburse 75% and the state 10% with the City responsible for 15% or approximately \$9,300 which will be appropriated from General Fund fund balance.

The City Commission: 1) adopt the Resolution; 2) approve the application for state and federal disaster funding; 3) authorize the City Manager or his designee to approve any related grant agreements and payment requests, subject to approval by the City Attorney as to form and legality; 4) request the Mayor to sign the applications for reimbursement; and 5) approve the appropriation of up to \$9,300 from General Fund fund balance.
