After reviewing Government Finance Officers Association recommendations and other cities' investment ordinances, Finance Department staff proposes amending the City's Code of Ordinances to update the allowable types of investments and clarify that the Finance Director or his/her delegated subordinates have authority to invest funds of the City. In addition, Finance Department staff proposes updating the City's Investment Policy and obtaining City Commission approval of same. The ordinance requires two hearing and shall become effective immediately upon final adoption. The Policy will become effective upon Commission approval.
