APPENDIX A - SCHEDULE OF FEES, RATES AND CHARGES - STORMWATER (B)

Ordinance No. 170410

An ordinance of the City of Gainesville, Florida, amending the fee for stormwater management in Appendix A - Schedule of Fees, Rates and Charges of the Code of Ordinances; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an effective date.

The City Commission adopt the proposed ordinance.

During several public meetings beginning May 2, 2017 and continuing through July 3, 2017, Budget and Finance staff presented the "Budget Workshop for the FY2018-2019 Budget Year" to the City Commission. As presented, the proposed FY2018 and FY2019 revenues included a continuation of the policy of 5% scheduled biennial increases of certain Appendix A fees, rates and charges.

On September 21, 2017, the City Commission adopted Ordinance No. 170013, approving the 5% increase in Appendix A fees, rates and charges.

Staff discovered that Ordinance No. 170013 inadvertently omitted an approved stormwater management fee, so this ordinance is being proposed to correct the omission and increase the stormwater management fee from \$9.00 to \$9.45 per equivalent unit.
