Subcommittee to Study Utility Advisory Board Code Provisions (B)

On November 28, 2017, at a joint meeting of the City Commission and the Utility Advisory Board (UAB), both boards expressed interest in creating a subcommittee, consisting of two members from each board, to study the City Code provisions that govern the UAB and determine what Code changes, if any, should be made. When the subcommittee completes its discussions, it will then report its recommendations to the UAB and City Commission. At its meeting on December 14, 2017, the UAB approved creation of the subcommittee and appointed UAB members Michael Selvester and Mary Alford to the subcommittee. At its meeting on January 4, 2018, the City Commission approved creation of the subcommittee and appointed Commissioners Budd and Ward to the subcommittee.

Discuss as subcommittee deems appropriate.
