### Special Recognition of GRU Camp EmPower Students (NB)

As part of its succession planning to address an aging workforce, GRU staff developed Camp EmPower, a spring break camp designed to expose middle school-aged students to careers in the utility industry. From March 26<sup>th</sup>, 2018, through March 30<sup>th</sup>, 2018, GRU held its 6<sup>th</sup> annual camp. Students from local schools spent their spring break with GRU staff, learning about a different area of the utility each day. The students were given hands-on experience with different jobs and participated in mock job interviews at the end of the week followed by graduation.

The City Commission hear presentations by staff and Camp EmPower students.
