Request to Create Joint City Commission / UAB Subcommittee (NB)

At their July 12, 2018, regular meeting the UAB discussed GRU's ERP project and asked questions of staff. Following the discussion, the Board agreed that they would like to form a joint subcommittee with the City Commission to study GRU's process of planning and budgeting multi-million dollar capital projects, and to develop a process for vetting large projects.

None.

The UAB recommends creation of a joint UAB/City Commission sub-committee.

Staff recommends that GRU management continue with the current process of planning and budgeting projects internally and presenting to the UAB and City Commission for approval, with updates at project milestones.
