Approval of the Regional Transit System (RTS) Ten-Year Transit Development Plan (TDP) Annual Update for FY 18/19 (B)

This item involves a request for the City Commission to approve the RTS Ten-Year TDP Annual Update for FY 18/19.

To maintain eligibility for Florida Department of Transportation (FDOT) transit block grant funding, RTS must develop and maintain a TDP. FDOT requires agencies to update their TDP annually with major updates every five years. The City Commission approved the last major update to the RTS TDP on August 21, 2014. The TDP outlines the development of transit in a community over a ten-year period.

During FY17/18, RTS received \$1,843,539 in FDOT transit block grant funds.

The City Commission approve the RTS Ten-Year Transit Development Plan Annual Update for FY 18/19.
