### **Authorize the Chair to Write Letter to City Commission about Landmark Designation Process (B)**

#### **Information Item C. Historic Preservation Board. Authorize the Chair to write a letter to the City Commission with recommendations and suggested changes to the landmark designation process.**

Discuss and authorize the Chair to write a letter to the City Commission with recommendations concerning the landmark designation process. The issues and subsequent demolition of the St. Michael's Episcopal Church sanctuary building sparked a discussion by the board with staff about ways the current landmark designation process can be improved to provide a clearer process that does not unintentionally hasten the demolition of potential landmark structures in the future.

Staff recommends authorizing the Chair to write a letter to the City Commission with recommendations concerning the landmark designation process.
