**Title:** National PAL's FY 2018 Mentoring Program, funded through the U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP) [Award number 2018-JU-FX-0006] (NB)

The National PAL Mentoring Initiative will implement youth mentoring programs that strengthen and expand mentoring services to at-risk/high-risk youth populations, through PAL Chapters. Target youth include those who a) live in communities with high community risk factors including poverty, unemployment, violent crime, and drug/gang involvement; b) attend schools that have a high percentage of students eligible for free and reduced price meals and have high rates of absenteeism; c) are American Indian or Alaska Native; d) have one or more parents in the military; and/or e) live in rural communities. Mentors and mentees will participate in positive mentoring activities through PAL Chapters, providing greater opportunities for individual/group mentoring and academic achievement. The performance measurements for this initiative will include increasing the participating youth's view of law enforcement, understanding of the dangers of drug and gang involvement, and increasing their perception of social support.
