STAFF REPORT

This ordinance rezones approximately 3.85 acres of property located at 5200 SW 41st Boulevard. The subject property was voluntarily annexed into the City on October 4, 2018. As a result of annexation, the City must now assign appropriate land use and zoning designations. The property's current zoning is Alachua County Industrial Services and Manufacturing (MS), and this ordinance will change the zoning to City of Gainesville General Industrial (I-2). The City Plan Board held a public hearing on October 24, 2019, where it voted to recommend approval of this rezoning.

This ordinance requires one hearing and will become effective when the amendment to the City of Gainesville Comprehensive Plan adopted by Ordinance No. 190535 becomes effective as provided therein.
