Supplemental Rules of Procedure for In-Person Public Meetings and Virtual Workshops During COVID-19 (B)

Resolution No. 200493

A resolution amending and restating the supplemental rules of procedure governing in-person public meetings and virtual workshops during the declared State of Emergency for the COVID-19 Pandemic; providing a severability clause; providing for repeal and conflicting provisions; and providing an effective date and duration.

With the expiration of the Governor's Executive Orders 20-69 and 20-246 (which suspended physical quorum requirements and allowed local governments to conduct virtual public meetings using communications media technology) on 12:01am on November 1, 2020, it is necessary for the City Commission to update the Supplemental Rules of Procedure to conduct in-person (and virtual, if specified in this Resolution) public meetings in a manner that protects the public health and follows CDC guidance and best practices during the continued COVID-19 pandemic.

None.

City Commission adopt the Resolution.
