Ordinance Amending Appendix A by Revising Fees for Controlled Vehicular Parking Area Service and Commercial Permits (B)

ORDINANCE NO. 210651

An ordinance of the City of Gainesville, Florida, amending Appendix A, Schedule of Fees, Rates and Charges of the Code of Ordinances by revising fees for controlled vehicular parking area service and commercial permits; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

The City Commission passed Ordinance No. 210189 on September 23, 2021, which adopted fee increases for the Controlled Vehicular Parking Area Decals/Permits section of Appendix A. Prior to adoption of Ordinance No. 210189, the City Commission held a meeting on July 12, 2021 and approved proposed fee increases to the Controlled Vehicular Parking Area Decals/Permits section of Appendix A. The proposed fee increases were used in developing the budget for Fiscal Year 2022. After Ordinance No. 210189 was passed, staff discovered an error in the fees for commercial permits and service permits.

It is necessary to revise Appendix A to include the correct and intended fees for commercial permits and service permits that the City Commission approved on July 12, 2021, and that were used in developing the Fiscal Year 2022 budget.

The City Commission adopt the proposed ordinance.
