### **GRU Project SHARE Update (B)**

**This is an informational item regarding the status of GRU's Project Share program.**

GRU's Project SHARE Program was established more than 20 years ago to provide assistance to those who have difficulty paying their utility bill due to financial hardship. This program is funded by voluntary donations from citizens, GRU customers and employees. GRU partners with 3 non-profit agencies to administer the Project SHARE funds: Salvation Army, Catholic Charities, and Gainesville Community Ministry. In FY2014, Project SHARE raised \$73,275.00, assisting more than 450 customers.
