### **CRA FY 2014 Annual Report Update (B)**

The CRA is required to release a report of its activities for the 2014 fiscal year (October 1, 2013-September 30, 2014) by March 31<sup>st</sup>. The CRA has partnered with Sequential Artists Workshop-a local, nonprofit arts school located in the CRA's Downtown redevelopment area-to illustrate this year's report. The intent of this partnership is to communicate the CRA's project milestones in a unique, original way and to increase civic interest and engagement. CRA staff will offer a preview of the report and bring a full presentation upon completion to the April CRA Board meeting.
